

Kentuckiana Women In Leadership

Women Empowering Women

Over the last Toastmasters year (2018-2019), the **Kentuckiana Women In Leadership** have had yet another successful year providing opportunities for women to develop as leaders and find greater confidence in their public speaking. We provide a safe growth environment which empowers a woman to become her best self.

In alignment with our mission to empower women we were happy to host a table at the **Women's Equality Day** luncheon along with guests in August 2018 (pictured right)

We meet at the **YWCA** and in support of the YWCA we gathered school supplies for the children in residence (pictured left)

We are committed to growing and learning not only as a club but by actively participating in Division and District level training events and education days. Several of our club members attended and presented at the **Ignite 2018 Fall Education Day**.

In October 2019 we were excited to host our 2nd **Murder Mystery Dinner** event. Over 20 members and guests participated in a fun evening to figure out “who did it”. Our Masquerade theme with Italian dinner was enjoyed by all (pictured left)

In November, the **Kentuckiana Women In Leadership Toastmasters Club** turned 3! To celebrate we had a night of stories and fun. Pictured right are the winners for the night along with Toastmaster & founding member, **Cara Sweeney**.

HAPPY BIRTHDAY KENTUCKIANA WOMEN IN LEADERSHIP!

In continued support of the community, the members of Kentuckiana Women in Leadership purchased a brick at the new **Mickey’s Kingdom** park on the Evansville Ohio River waterfront.

Our annual holiday party was hosted by **Charron Combs** and **Amanda Decker** from 44 News was our guest speaker (pictured left).

The members supported the **YWCA** again during the holidays by providing the residents with needed items and gifts for the children. (pictured right)

In April 2019, the club hosted our **2nd Annual Vision Board Party**. It is always an amazing night filled with focus and planning for a successful year both individually and as a club.

If you’re looking for a supportive women’s group focused on women’s leadership concerns that will also result in improved public speaking & much, much more; **Join Kentuckiana Women in Leadership!**
